

2017 MSU Weed Tour Scheduled for June 28

Christy Sprague, Erin Burns, and Bernie Zandstra

We invite you to make plans to attend the annual Michigan State University Weed Tour, beginning at the MSU Agronomy Farm on Wednesday, **June 28th** (4450 Beaumont Road, Lansing, MI 48910 on MSU Campus). *Registration begins at 8:30 am, with the field tour kicking off at 9:30 am.* The tour will provide ample opportunity to look at research plots and participate in some short field presentations. Be sure to bring a hat and sun screen! Participants can compare their favorite corn and soybean herbicide programs to other commercial programs and check out some of the new herbicide-resistant crops and how these crops fit with overall weed management strategies. The morning tour ends with lunch.

The afternoon tours will begin at 1:00 pm: 1) *Weed Control in Horticultural Crops* (Location: MSU Horticulture Farm on College Road, south of Jolly Road); and 2) *non-GMO Soybean Weed Control Tour* (Location: MSU Agronomy Farm)

Preregistration for the tour is \$25 per person which includes a tour booklet and lunch (on-site registration is \$35). On-line registration is through Michigan State University's Events Management System at <https://events.anr.msu.edu/weedtours17/>. If you have any questions, or would like additional information visit our web site at www.msuweeds.com or contact Christiina Donley at 517-353-0139, email: <tymoszew@msu.edu>. We hope to see you there!
